## 1. Login

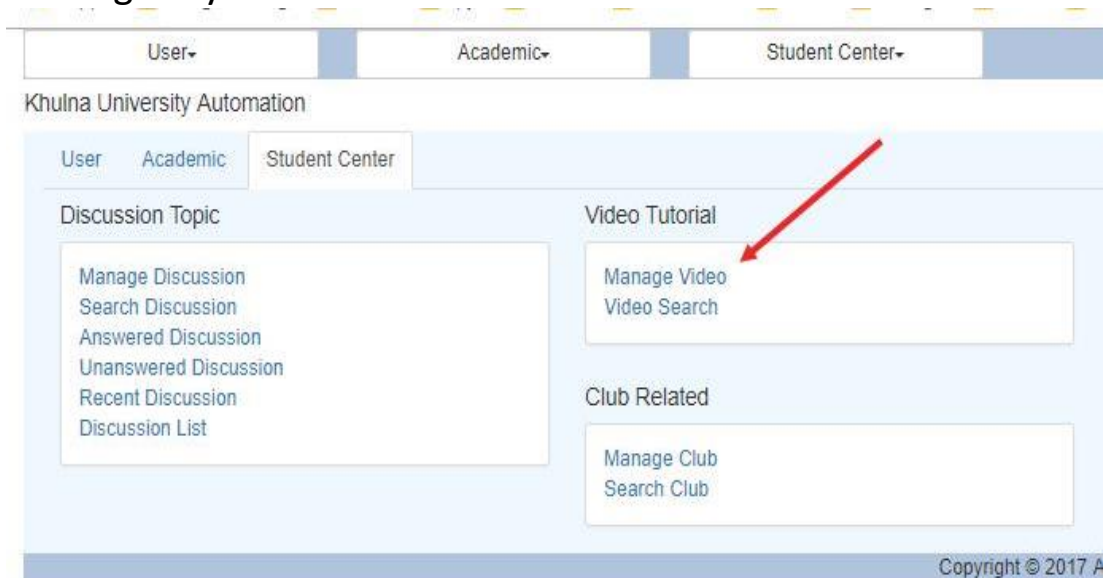

To use vtms at first you to log in to our automation side. This is a Login page. User can log into the site by filling those fields. If any user forgets his password he can recover it.

The screenshot shows a 'Member Login' form. It has two input fields: 'Email:' with the value 'six.rakib@gmail.com' and 'Password:' with three dots indicating a masked password. Below the password field are two links: 'Register as a new user' and 'Forgot password'. A 'Login' button is centered below these links. At the bottom of the page, there is a copyright notice: 'Copyright © 2017 All rights reserved'.

## 2. Dashboard

This is a dashboard page. You have to go to “Manage Video” or “Video Search” to interact with vtms. Amazing options are waiting for you.

The screenshot shows the 'Khulna University Automation' dashboard. At the top, there are three tabs: 'User', 'Academic', and 'Student Center'. Below the tabs, there are two main sections. The left section is titled 'Discussion Topic' and contains a list of links: 'Manage Discussion', 'Search Discussion', 'Answered Discussion', 'Unanswered Discussion', 'Recent Discussion', and 'Discussion List'. The right section is titled 'Video Tutorial' and contains a list of links: 'Manage Video' and 'Video Search'. A red arrow points to the 'Manage Video' link. Below the 'Video Tutorial' section, there is a 'Club Related' section with links 'Manage Club' and 'Search Club'. At the bottom right, there is a copyright notice: 'Copyright © 2017 A'.

### 3. Video Adding Page

This is actually an uploading or editing page for video. User can add a video by filling these necessary fields.

## 4. Video view page

This page helps a user to watch a video. All of the information about this video are shown. In the right-side users can see the related video.

The screenshot displays a video player interface. At the top, there is a video player with a play button overlay. The video title is "Ajax Dynamic Dependent Dropdown in Codeigniter" and the description is "Codeigniter Dynamic Dependent Select Box using Ajax". Below the video player, there is a search bar and a list of related videos. The related videos are:

- Introduction to Codeigniter  
Tag : Coding  
Creator : Rakibul Hasan  
Creator : 2018-10-23 00:00:00
- Understanding the Weird Parts  
Tag : Coding  
Creator : Rakibul Hasan  
Creator : 2018-10-23 00:00:00
- What You Need to Know to be a Front End Developer  
Tag : Coding  
Creator : Rakibul Hasan  
Creator : 2018-10-23 00:00:00
- What is a Front End Developer?  
Tag : Coding  
Creator : Rakibul Hasan  
Creator : 2018-10-23 00:00:00
- Registration - Chat Application using PHP Ajax JQuery - 14  
Tag : Coding  
Creator : Rakibul Hasan  
Creator : 2018-10-23 00:00:00

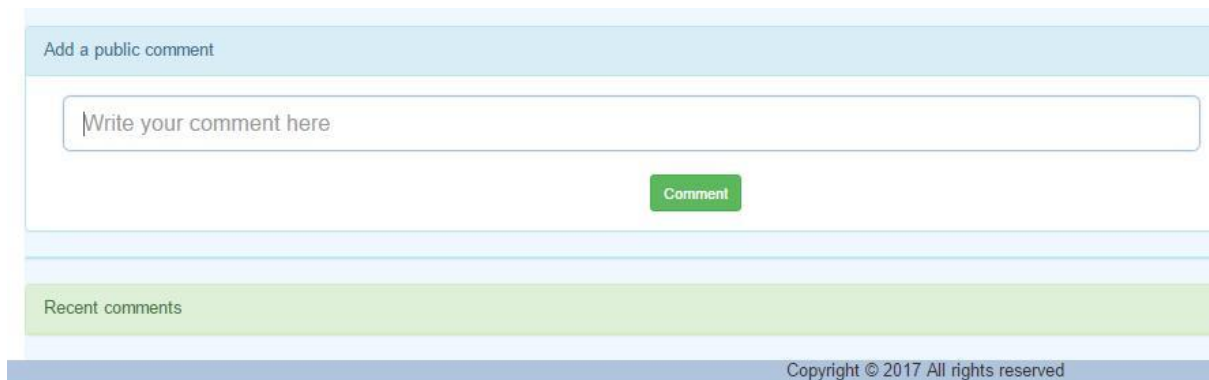

Below the video player, there is a metadata section for the current video:

Video Title : Dynamic Dependent Dropdown in Codeigniter  
Description : Ajax  
Creator Name : Rakibul Hasan  
Creator's Email : six.rakib@gmail.com  
Creation Date : 2018-10-23 00:00:00

At the bottom right, there is a button labeled "Upload a Video".

## 5. Video Comment Reply:

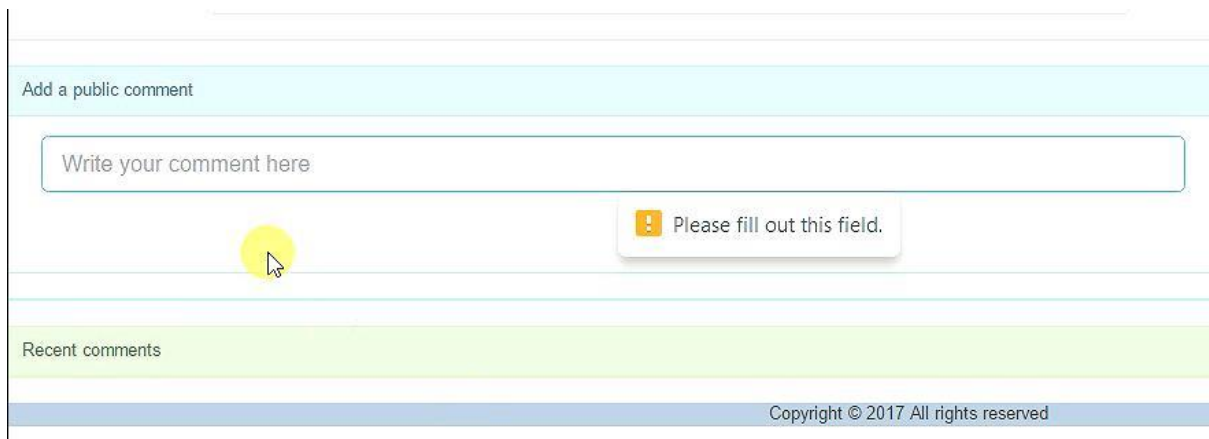

In this section user can comment in a video if he wants. Anyone can reply the comment.

The screenshot displays a user interface for adding a public comment. At the top, a light blue header bar contains the text "Add a public comment". Below this is a large, empty text input field with the placeholder text "Write your comment here". To the right of the input field is a green button labeled "Comment". Below the input field is a light green section labeled "Recent comments". At the bottom of the interface is a dark blue footer bar with the text "Copyright © 2017 All rights reserved".

## Blank Comment Check:

If the comment field is empty the system shows the user to field out the comment field.

The screenshot displays the same user interface as the previous one, but with a validation error. The text input field is empty. Below the input field, a yellow circular icon with a cursor points to the field. To the right of the input field, a white error message box with a yellow exclamation mark icon contains the text "Please fill out this field.". Below the input field is a light green section labeled "Recent comments". At the bottom of the interface is a dark blue footer bar with the text "Copyright © 2017 All rights reserved".

## Reply:

This is the reply section. Here the user can reply to any comment.

## 7. Video Search Page

In video search page user can search a video by writing the video title or tags.

## Tag Search Example

This is a tags search example. Anyone can search the video by writing the tags of the video.

The screenshot shows a web browser window with the address bar displaying `localhost/cseku_wpl_2018_video/video_search.php?tag=game`. The page has a navigation bar with tabs: "User", "Academic", and "Student Center". Below the navigation bar, there is a "Video Search" section. It contains a "Search Video:" label, a text input field with the value "game", and a "Search" button. Below the search input, there is a table with the following content:

Video Title
Bangladesh vs Zimbabwe Highlights
এবার টেস্ট কোয়ার্টার বিবেচনায় সৌম্য-তুষার

At the bottom of the page, there is a footer that says "Copyright © 2017 All rights reserved".

## Title Search Example 1

By searching the title , user can also find his video.

The screenshot shows a web browser window with the address bar displaying `localhost/cseku_wpl_2018_video/video_search.php?tag=developer`. The page has a navigation bar with tabs: "User", "Academic", and "Student Center". Below the navigation bar, there is a "Video Search" section. It contains a "Search Video:" label, a text input field with the value "developer", and a "Search" button. Below the search input, there is a table with the following content:

Video Title
What You Need to Know to be a Front End Developer
What is a Front End Developer?

At the bottom of the page, there is a footer that says "Copyright © 2017 All rights reserved".

## Tag Search Example 2

Search Video:

Video Title
Introduction to CodeIgniter
Dynamic Dependent Dropdown in CodeIgniter
Understanding the Weird Parts
What You Need to Know to be a Front End Developer
What is a Front End Developer?
